Automobile Policy and Agreement

Name of Student (Print) _____ **Grade** _____

We realize that, for the welfare of the driver and others, the driver must maintain the following conditions if he/she is to drive an automobile, motor scooter, or motorcycle to school, and he/she agrees to abide by these conditions.

- The vehicle will be driven directly to school and will be parked in the school parking lot. The vehicle will not be parked on a public street or at a public home.
- The driver will obey all signs, street and highway markings, speed limits, signal lights, other traffic regulations.
- The vehicle, after being parked in the school parking lot, will be vacated immediately.
- The vehicle will be neither used nor occupied during the day, INCLUDING LUNCH PERIOD.
- No obscene or suggestive bumper stickers are allowed on the vehicles parked in the lot.

Students who drive must park in the parking lot in such a way as to allow buses to load and unload. Parking in front of the building is reserved for visitors and staff. The driveways into the parking lots are to be kept open at all times. All drivers are cautioned to drive with care, within the speed limits, and with consideration of the congestion of students, cars and buses near the school. All student cars are to be parked in the east asphalt parking lot and are to remain there until after the buses leave. Any need for deviation from the policy must have the approval of the principal.

In order to maintain a safe and orderly environment, sometimes it is necessary to inspect a student's vehicle. The administration of Windsor CUSD #1 reserves the right to search any vehicle parked on WCUSD #1 property. Failure to permit a search will result in immediate and permanent loss of driving privileges.
